BAY ST. LOUIS, MISS., FRIDAY, OCTOBER 9, 1953

SUBSCRIPTION—2.00 PER YEAR

EVER GROWING.—Here's St. Stanislaus as it is, and as it will be. A is the main building, built in 1903. B is the gym, completed in 1924. C is the chapel, dedicated in 1929. D is the infirmary, acquired in 1936. E is the handball court, built in 1946. F is the dining hall, built last year. I is the new pier, built in '47. And J is the site of the new building.

## St. Stanislaus Launches \$300,000 Building Program For Its 100th Anniversary

St. Stanislaus College today announced a \$300,000 building drive to mark the 100th anniversary of the college.

Walter Gex, Jr., was named General Chairman of the drive. Robert Camors was named Honorary Chairman. Chairman of the drive was named New Orleans chairman. And Brother Alton S. C., was named executive secretary.

The college will be 100 years old in October, 1954. The drive is to commemorate the occasion and to give the students the greatly needed facilities.

The proposed new building will contain four additional classrooms, a recreation hall for smaller boys, private rooms for seniors and a dormitory, an infirmary and a clinic.

Meetings already have been held in Baton Rouge, New Orleans, Meridian, Vicksburg, and Alexandria in connection with the drive. Alumni will be contacted, but the drive is not limited to them.

The building drive is only a part of the centennial program, which will be announced in full later.

Four former presidents of the college are still living. They are Brother William, now at St. Aloysius in New Orleans; Brother Casimir, president of St. Francis de Sales in Houma, La.; Brother de Sales, now in charge of St. Joseph's Home of Studies in Metuchen, N. J.; and Brother Alexis, assistant general of the Order in Rome.

Among other well known presidents in the college's illustrious history were Brother Macarius, Brother Athanasius, Brother Lambert and Brother Peter.

St. Stanislaus already is one of the nation's foremost secondary schools, but its constant building program is a necessity despite the present sprawling plant.

The General Committee Members are:

New Orleans—David Assaf, Sam Ballard, Henry Bonura, William E. Cassidy, Frank J. Chalona, Cyril Claverie, Valentine K. Dell, George Falgout, Nick Gentilich, Harry Glover, Jr., Marion Heymann, Eugene L. Guey, Leo Heymann, Dr. John J. Irwin, Michael M. Irwin, David G. Kieffer, Joseph K. Lee, Albert B. Koorie, Omer F. Kuebel, Britt P. Landry, Dr. J. Henry Larose, Peter S. Latino, Robert A. Nunnaker, J. Gordon Reddy, Milton Reisch, Frank J. Reyes, Ernest Ricard, Dr. John J. Schiro, Irwin Shier, John J. Voelkel, Jr., J. Stone Ware, Jay J. Well, Jr. Louisiana District—Frank Beaulieu, Guy Caire, Herbert Cassidy, Clarence D. Daigle, Fred L. Davis, Edmond L. Deramee, Sr., Wilson Haas, August Leonard, Joseph Lepine, C. P. Lynch, Joseph Meel, Francis M. Matthe, Roland B. Menou, Sr.

The cost of the building: Clothes Room, \$6,000; Recreation Room, \$8,000; Infirmary, \$25,000; Large Ward, \$8,000; Isolation Ward, \$2,000; Nurses' Quarters, \$10,000; Clinic, \$7,500; Classrooms, \$6,000; Private Rooms, \$1,250.

Brother Roland, new president, issued this statement:

"For 100 years St. Stanislaus has been achieving unsurpassed development in character training—development in the youth of the South of their highest qualities, religious, moral, emotional, mental and physical.

"This work among our youth has been made possible by the sacrifice and zeal of our Brothers and our parents, who have gone before us during the past 100 years.

"We, the successors of Brothers Macarius and Lambert and Peter and all of the others and you, our alumni and friends, are still carrying on this vital work.

"To do more efficiently and to care more adequately for our students, we are in need of another building—the seventh—to house an infirmary and additional classrooms.

"It is for this reason that we now officially inaugurate the St. Stanislaus Building Fund Drive.

### L & N Planning Answer To City Demands

Louisville and Nashville officials were reported planning an answer to the city's resolution demanding that the railroad halt all its trains here.

The L & N officials also were hoping to meet again with city officials and civic representatives in order to iron out the train schedule difficulties.

The city's ultimatum, which was delivered approximately four weeks ago, has not yet been officially answered. The resolution told the railroad to halt its trains here in compliance with a little-used law on the Mississippi Civil code which maintained all trains had to stop for passengers at county seats.

However, railroad officials were expected to cite a case which went to the Supreme Court to support their claim that the law will not hold.

The city sent the resolution to M. B. Black, railroad superintendent who said that higher officials would consider it carefully before replying.

The disagreement between the city and the railroad began July when the L & N removed its commuter trains which served the Mobile-New Orleans coast area.

Local townspeople met with Black and other railroad officials in an open meeting to discuss the problem. No agreement was reached and the city announced it would file its resolution.

### Lt. Faulkner To Address Lions Club

Lt. Wesley Faulkner, commanding officer of the Salvation Army in this area, will address the Bay St. Louis Lions Club at their meeting at the Hotel Reed next Monday.

With Faulkner will be J. C. Dabney, member of the advisory board for the Salvation Army.

The Lions have agreed to sponsor the 1953 financial drive in Hancock County members of the S. A. here is Lion president Cliff Parke.

At their last meeting the Lions Board of Directors voted acceptance of 10 new members and passed the names of 6 others to the membership committee. Lion Club members also took a part in promoting a county fair before the Board of Supervisors at their last meeting.

The Lions also voted to support the erection of a sign which would indicate the business section of the city at the head of the new highway bridge.

### Registration Starts Slowly

Only 72 persons registered the first seven days of the Bay St. Louis vote registration.

A total of 40 registered from the south precinct and 32 from the north precinct. Although the books will be open for three months, Commissioner Cyril Glover warned all voters to avoid the long lines which will form during the last-minute rush.

### FORMER PASS CHRISTIAN MAYOR DIES OF HEART ATTACK AT 60

William Gaston Simpson Sr., a former mayor of Pass Christian, died at his home on 706 West Beach Tuesday night.

Prominent in the Gulf Coast's seafood industries as well as a major figure in Harrison County politics for many years, Mr. Simpson was the victim of a sudden and acute heart attack. He was 60 years old.

Mr. Simpson served as mayor of Pass Christian for six years, as well as other public offices in the county. He was owner of his own seafood business, the Simpson Cannery Co., in Gulfport; had served as vice-president of the S. N. Haas and Co. and was owner of the Pass Packing Co.

A veteran of World War I, Mr. Simpson personally raised \$1 million for the war bond drive in World War II in Pass Christian.

He was a member of the American Legion, an honorary member of the Gulf Coast Oystermen and Fishermen's Association, a member of the Elks Club, the Knights of Columbus, The Chamber of Commerce and St. Paul's Catholic Church.

He is survived by his wife, Mrs. Irma Lahey Simpson, two sons, William C. Simpson, Jr., and James Simpson who is on duty with the U. S. Marines in Korea; a daughter, Mrs. Betty Simpson Tarzetti of New Orleans; one granddaughter, Kathy Simpson; two sisters, Mrs. Mary Pettis and Mrs. Maguerite Sperry, both of Ellisville; one brother, C. A. Simpson of Gulfport; and numerous nieces and nephews.

Funeral services will be held at 10 a. m. Friday at St. Paul's Catholic Church.

Interment will be in the Pass Christian cemetery.

Ann Ashford, Sue's sister, and Ruby Jo Lively were chosen Maids of Honor.

Sophomore Sue Ashford was crowned queen of homecoming for Pass Christian High last Friday at the annual homecoming activities.

### Coast Electric Annual Meeting For Nov. 14

Coast Electric's annual meeting will be held in Bay St. Louis on Saturday, Nov. 14. H. H. Shattuck announced today.

This will bring some 2,500 persons into the city for the annual get together at the Bay High school gymnasium. It will be a combination business meeting and pleasure trip.

Sen. James Eastland, Mississippi's senior senator, has accepted an invitation to address the meeting.

Members will come to Bay St. Louis from a three-county area—Pearl River, Harrison and Hancock.

Mr. Shattuck revealed that there will be appliance displays and general entertainment, including a hill-billy band. There will be a considerable number of major prizes given during the course of the meeting.

### Mayor Undergoes 12th Blood Transfusion

Mayor John Scaffide of Bay St. Louis has undergone his 12th blood transfusion, but is "holding his own," it was revealed yesterday.

The mayor collapsed at his home on Sunday. He was taken by ambulance to King's Daughters and Sons Hospital for emergency treatment.

He was then taken by ambulance to the Veterans Hospital, behind Charity Hospital, in New Orleans, in the ambulance; he was given glucose.

Mr. Scaffide has been suffering from ulcers, which caused internal bleeding. The many transfusions have been necessary because of the trouble in building him up.

However, the latest report was that the internal bleeding had been arrested.

He was the second city official suddenly stricken. Willie Sick Sr., natural gas division repairman, was rushed to Gulfport Saturday for an emergency operation.

He is scheduled to undergo a second operation on Monday. Mr. Sick is a former alderman of the city of Bay St. Louis.

### Blood Donor Drive Planned

The Clement R. Bontemps Post #39 of the American Legion, meeting on October 6 at the Legion Home, has set as its next project a blood donor program, to provide a master list of blood donors for emergencies.

The group, spurred by the need here during the past week for blood donations on two separate occasions, appointed a committee to speed work on the list. It asked that all the city's doctors cooperate in the work, as well as the citizens of the community, to assure its success. It is expected that no one will be asked to donate blood more than once a year, except in an extreme emergency.

Chairman of the committee is Lucien Kidd. Other committee men are Andy Becker, Joe Benveniste, J. A. Fillingame and John Rutherford, Jr.

The legion also voted to donate \$50.00 to the Bay Saint Louis Youth Center and to furnish to the Veterans' Hospital in Gulfport two boxes of cigars per month and a case of ten thousand cigarettes. J. A. Fillingame is in charge of distribution.

It was announced that each member of the Legion will be permitted to bring two guests to the Harvest Moon Ball which will be held on Saturday, Oct. 24 at the Legion Home.

At the next meeting, a fish fry will be held, with the Mississippi State commander of the Legion as guest at that time. The meeting will be held on the Legion's public beach.

MRS. FAVRE IN HOSPITAL

Mrs. George Favre was taken to King's Daughters Hospital Thursday from her residence on State St. by Fahey's Ambulance Service.

### THREE BAY ST. LOUIS MEN MEET IN HEIDELBERG, GERMANY

The size of the globe means nothing to three Bay St. Louis servicemen who met in Germany and decided immediately to go on a boer hunt in the Alps.

It all started when Lt. Col. Warren Larroux of Cedar Point walked into his living room one night to find S/Sgt. and Mrs. Claude Quintini waiting to discuss home town news.

Claude is stationed in nearby Kaiserslautern and had heard about Warren's location. But this coincidence wasn't enough.

Claude found out that Fred Capdepon was also stationed in Germany.

So the three planned a boat hunt, just as if they were home and planning to hunt rabbits on a Saturday.

Warren, who lives in Heidelberg with his wife and 13-year old daughter, Linda, expects to serve there until next August. He has been in Germany since March, 1952.

Claude has been in Germany since January 9. He discovered that Warren was there also though his father, his sister, Marie Quintini, believed.

### Issac Thomas Killed By Truck In Miss. City

Issac John Thomas, 56, of Mississippi City and formerly of Bay St. Louis, was killed in Mississippi City Friday night when he fell underneath a truck on Highway 90.

The accident, which occurred after Thomas had disembarked from a bus, caused immediate death.

Funeral services were held Monday at Fahey's Funeral Home in Mississippi City following at Cedar Rest cemetery. Father Taylor officiated at the services.

The deceased is survived by three sisters, Mrs. Leona Usner, Mrs. Rosa Ladner and Mrs. Clayton Bullock, and a niece, Mrs. Henry Thomas, all of Bay St. Louis.

A World War I veteran, Thomas was the son of the late Celia Hudon and John Thomas.

### Miss Bobbinger, Jack Lee Reign Over Kiln Fair

The Kiln School will hold a fair, October 15, 16 and 17. There will be competitive contests for can goods, livestock and poultry, plus rides of all kinds.

Friday is school day. The queen for that day is Bobbie Gay Bobbinger and the king is Jack Lee.

OSIE CARTER EXPIRES

Funeral services were held Tuesday for Osie Carter, 55, of Kiln who died Saturday at the Charity Hospital in Laurel.

Services were held at 2 p. m. from the Kiln Baptist Church.

### Gordon Garcia Hurt In Fall

Gordon Garcia Jr. of Lake Shore was rushed to Memorial Hospital in Gulfport Wednesday for a back injury incurred when the youth fell from a tree.

Gordon, 15, is the son of Mr. and Mrs. Gordon Garcia. It was reported that he was in the tree picking pecans when he fell and injured his back. At first the injury was not thought serious.

### Eugene Davis Retires

Eugene Davis retired from the U. S. Postal Service and marked a double celebration Sunday, which was his 31st wedding anniversary.

With Mr. and Mrs. Davis at their Carroll Avenue home for the occasion were Mr. and Mrs. J. A. Folse of Bay St. Louis, and Mrs. William B. Matthews of New Orleans; Mr. and Mrs. W. E. Folse of New Orleans; Mr. and Mrs. H. G. Hollenman of Hattiesburg and Miss Nettie Hollenman of Hattiesburg.

### Nine Bay Boys Take Draft Physical

Nine Bay St. Louis residents left this week for the Armed Forces Induction Station in Jackson to receive their pre-induction physicals.

They are: Ambrose J. Chiniche, J. Vincent Morreale, Donald J. Luc, Daniel L. Lanoux, Jr., Roosevelt Franklin Nease, John Leslie Cuevas, Donald H. Peterson, Joseph Bourgeois and Jimmy Ray Ladner.

### Turkey Shoot

The Clement R. Bontemps Post #39 of the American Legion voted at its October 6 meeting to hold again "turkey shoots" to raise funds for the distribution of Christmas baskets.

The success of previous shoots, boosted the idea to renew the sports events this season, the legion announced this week. It hopes to supply 150 baskets with the funds obtained.

## STANISLAUS MEETS BIG TOUGH PICAYUNE TONIGHT AT PICAYUNE

St. Stanislaus will try to put undefeated Picayune High in the lost column tonight (Friday) at Picayune after winning their first game of the season last week from Moss Point.

The Rockchaws, who received a much needed boost from freshman quarterback Kenny Artigues, have switched their lineup somewhat to gain a better winning punch.

Last week Stanislaus pushed aside favored Moss Point 18-13. A. J. Burke led the Rockchaws with two touchdowns, one on a 65 yard jaunt and the other on a 17 yard dash.

Burke scored in the first quarter, but it wasn't long after that fullback Billy LaMaitre plunged through center for Stanislaus' second in the second quarter for the second touchdown.

Ralph Jones struck back for Moss Point in the second quarter with a 55 yard run around end. Burke picked up his team's last score in the fourth quarter with his 17 yard run.

Coach Farley Day of Stanislaus felt pretty happy about his team's first win of the year. "The Moss Point win was the best game they played, this year for all around play," he said.

Stanislaus came out of the Moss Point game with no injuries, but with what appears to be a new lineup. Kenny Artigues was moved into the quarterback position

with Billy Scarborough moving to right half.

A. J. Burke moved over to the fullback position while Danny Luckett played at left half.

On the line the only major shift was Bertrand Whitman replacing Gordon Bitter at end.

Standouts on the Stanislaus line in the Moss Point contest were Maurice Artigues, Frank Hill and Dan Mooney. All three showed a great deal of improvement in downfield blocking, which accounted for the long range Stanislaus scoring.

Picayune's powerful defense should run into some trouble with A. J. Burke's punting. Burke averaged 40 yards a try in the Moss Point game, and Day hopes his toe will keep Picayune in the hole.

## Waldo Otis, Jr. Wins Prize

Waldo Otis, Jr., took third place in the Western Pleasure class event at the annual Picayune show last week, riding Beau from the played, this year for all around play," he said.

The nine-year-old Bay St. Louis youth, who was entering horse show competition for the first time, was also one of the last six to remain in the musical chairs event.

## BAY HIGH PLAYS PERKINSTON

Bay High's football team must figure a way to stop experienced running back Vincent Scopers before they can halt the Perkinson Bulldogs here tonight (Friday) at 8 P. M. at St. Stanislaus Stadium.

Both teams will be seeking their second win, and both hold victories over Our Lady of Victory. The Bulldogs gained their triumph last week 26-0.

Bay High dropped its contest last week of arch rival Pass Christian, 19-10. The Pass Pirates were up for their homecoming game and were given only a little trouble by Billy Coor's running game.

Bay High lost the services of Ray Smith, but otherwise is in top physical shape.

The Tigers beat O. L. V. 18-6 in their opening game. But they'll have to figure how to stop the powerful plunges of Vincent Scopers at fullback, and Vincent's brother, Edward, at right half.

Starting lineup for Bay High will be: Charlie Tartavouille and Clayton Adams; tackles, Larry Smith and Kent Sellers; guards, Johnny Brooks and Malcolm Moreau; center, Charlie Moreau; backs Terrell Randolph, Bill Corr, Ronald Landers and Hugo Favre.

## Valena C. Jones Meets Gulfport

## Team Saturday

Valena C. Jones' Wildcats meet the Gulfport Community Center team in football tomorrow night (Saturday) at St. Stanislaus Stadium in search of their first victory of the season.

Last week V. C. J. received a trouncing at the hands of Nichols High, 26-0. The Biloxi team's defense proved too powerful for the Wildcats running game which bogged down after the first quarter.

V. C. J. now has a season mark of two losses and no wins. Game time Saturday will be 8 p. m.

## NOLAN KINGSTON BACK

Constable Nolan Kingston returned to his home here from Toureau, center, Charlie Moreau, Backs Terrell Randolph, Bill Corr, Ronald Landers and Hugo Favre.

## Boxing Bouts Planned Here

A four-man committee to further work on plans for a series of amateur boxing bouts, to be sponsored by the American Legion Council R. Bontemps Post 139, was created by the Legion at its meeting this week.

The Legion plans to divide funds obtained from the matches with the Bay St. Louis Youth Center.

Douglas Bourgeois, Claiborne Lader and Gerald Price, Sr., are the committeemen working on the project. Chairman is Sidney Manetti.

The Legion agreed at its meeting that the bouts will probably not be held until November. The project will not conflict with any athletic events of the city's schools, its announcement said.

It is hoped a boxing team can be formed in Bay St. Louis to compete with other teams from out of town. Bay St. Louis boxers will be sent to the Golden Gloves tournaments, if possible.

Mrs. Annette Arceneaux Gatti has returned to the city and the home of her parents for an indefinite stay, following the entrance of her husband into the service. Gatti is stationed at present at Camp Chaffee, Ark. Also with the Arceneauxs are T. Sgt. and Mrs. D. Helms of Colorado Springs, Colo. Sgt. Helms is en route to Alaska and until such time as she can join him, Mrs. Helms will remain in Bay St. Louis with her family.

According to Howard Redmond in charge of the Game and Fish Commission squirrel survey, squirrel hunters should have a good season this year, as the squirrel population is considered to be the highest in several years. The statewide squirrel season opens October 7 and extends through Dec. 31, 1953. The bag limit is 5 per day, not to include more than 2 fox squirrels east of Highway 51 with 10 in possession.

Speckle trout and red fish have really been biting during the past week probably due to the cooler weather. Many good catches have

been reported by fishermen catching them with dead and live bait and a few caught by trolling up Jordan River with artificial bait.

Pete Caruso and Herb Wise made a good catch of speckles in Pearl River during the week.

Mr. and Mrs. Martin Okrasinski of Baltimore, are spending two weeks in Bay St. Louis, and are spending most of their time fishing. Mr. Okrasinski was displaying a large drum caught on the R. R. bridge Monday. He says that some kind of large fish have been giving his tackle the devil.

Shelton Nicholson, of Natchez, at present working on the local housing project, took time at one night this week to do a little floundering. Shelton said it was his first time at floundering. According to him he could not see the pesky things, although he located one. He got a kick out of spearing it. This will be news for the folks, back home!

John Fush reported catching some real speckles up Jordan River.

George Horton caught about 10 nice green trout up Jordan River on live bait. He said he tried some lures but didn't have much luck. George is an old timer when it comes to boating and fishing.

Henry Lang has been going after the shrimp lately. The Legion pier is the spot, says he—Monday there were no shrimp. Henry had to be content with a bunch of mullet.

Mickey Cuevas at Nicola's fishing camp loves his fly fishing. He is a beginner. Last week he only caught four but says he put it over his fishing partner—some accomplishment, anyway! Meet Mickey he is an energetic young man and helps out the fishermen after school.

Large mullets have been infesting the waters hereabout lately. Several net casters have been after them. Curtis Favre, says they are just beginning to have roe in them. The roe, if you don't know

## It's WHERE you buy a used car that counts!

When you can trust the dealer who sold you a used car, you can trust the car.

The next question, then, is: Who can you trust most?

We Ford Dealers are established business men with large investments at stake. Our business reputation depends on every business transaction—whether it is a new car sale, a used car sale or a service operation.

We want your used car business, and some day we

hope to sell you a new car or another used car. And we want your service business, too!

"But," you say, "granted that you Ford Dealers have reputations to uphold, granted that your mechanics and service facilities make it easier to put your used cars in good shape—how do you compare in price?"

Let us give you some facts and the answer will be obvious. Ford Dealers handle used cars and trucks as a service to customers who trade them for new cars. When we get overloaded with trade-ins, our capital is tied up. Like everyone else, we have to pay our bills. So we must always offer used cars at rock-bottom prices to keep things moving.

## GARDEN CLUB CELEBRATES ITS 15TH ANNIVERSARY WITH MEETING

The Bay-Waveland Garden Club this week celebrated its 15th anniversary. For the occasion, past presidents of the organization were co-hostesses at the home of one of the founders, Mrs. Elizabeth Weston, who was also hostess at the first meeting on Sept. 27, 1938.

Since the organization of the club, members have held three birthday parties, five years apart, during which time the membership has jumped from the original 19 to the present 88.

One of the first accomplishments of the club was the establishment of a Wisteria Trail, wisteria being the club flower. At one time this vine was distributed by the garden club to all those who wished to have it.

The latest project completed by

the club was assistance at the opening of the New St. Louis bridge.

When Mrs. Eugene Mogabgab presented a marker from the Mississippi Historical Commission, sponsored by the Garden group.

Other works have been establishment of a war memorial in the form of a three bed ward at King's Daughters hospital; annual flower shows; war bond and war relief work; establishment of street markers; and general sponsorship of clean-up drives, zoning and beautification of the community.

Each summer the club makes it possible for a local boy to attend the state conservation camp. Billy Bréland was the youth who attended last summer.

The club has sponsored the building of a roadside park on highway 90 and counts as a highlight of every year its work in the annual Garden Pilgrimage sponsored by the Gulf Coast Council of Garden Clubs.

First president of the Club was Mrs. E. P. Kirkpatrick. Mrs. C. R.

Beyer, the present head of the organization, is the 12th to hold the executive position.

The respect accorded the Garden Club in the community has been shown in the past by the cooperation received from owners of some of the more famous estates in this area. The homes and grounds of Dr. Emmett Irwin, and Mr. and Mrs. E. M. Brignac, among them, have been opened to visitors during the spring pilgrimage.

For this 15th anniversary, the hostesses chose wild flowers for decoration. These were used in arrangements throughout Mrs. Weston's home. The wisteria theme was spotlighted in decorations for the anniversary cake.

### County Agent Notes

by HOWARD SIMMONS  
FORESTRY

Farmers should begin planning timber management jobs as soon as harvest is over for their field crops. Good farming of the farm woodland means more income for the farmer.

One of the foremost management jobs for the farm woodland is fire prevention. Woods are generally in a very dry condition right now and a fire once started is hard to stop.

Fire lanes, especially between woods and any public road, will help prevent fires in your farm woodlands. Build one as soon as possible.

**SWEET POTATO HARVESTING.** Now is a good time to complete your plans for harvesting the 1953 sweet potato crop before killing

frost arrives. Before harvesting your sweet potatoes for storing be sure that your curing and storing facilities are ready - make sure that you have plenty of labor and containers on hand to do the job rapidly. Best results from curing are obtained when the house is filled within a few days.

Be careful to prevent as far as possible any cutting, skinning or bruising the sweet potatoes. A large turning plow is recommended for digging the potatoes. It should be run far enough off-center of the bed to prevent cutting and bruising the potatoes and to turn them all out to one side.

After digging, the potatoes should be placed carefully in crates. They should never be left in the sun for longer than 12 hours after digging.

Partial field grading is important. The U. S. No. 1 potatoes should be placed in separate containers from the No. 2's which will be likely to be sold to canning plants and on local markets.

The use of cotton gloves by workers will further reduce the skinning of sweet potatoes. Crates should be filled slightly less than level full to reduce bruising in

hauling from the field to the storage house.

### COTTON

Off-weight bales of cotton cause costly problems all along the route from the farm to the spinning mill. Overweight bales place undue stress on gins and compress equipment. This causes break-downs. The gins are difficult to tie properly and go through making channels looking ragged.

They contribute to the "rolling bale" problem and endanger workers. These overweight bales require extensive use of hooks in handling, which damage the bagging and cause trouble in loading.

Underweight bales make it difficult for compresses to obtain required density for shipping economy. These light bales need the extra shipping space as do the 500-pound bales.

Delivery contracts are based on 50,000 pounds. This is exactly one hundred 500-pound bales. Farmers can eliminate heavy and light bales by making sure that the cotton brought to the gin can be divided into one or more 500-pound bales.

### BROILERS

Crowding too many broilers in a house greatly adds to the risks of production. Never put more than one chick for every square foot of floor space.

Plenty of room in the broiler house reduces disease risks, raises a larger percentage of those started with a better feed conversion ratio, and produces better quality birds.

### FARM MACHINERY REPLACEMENT

Tractors and other farm machinery will not last forever. They will wear out some day and will have to be replaced. This costs money. The United States Treasury Department suggests an easy way to make sure that you have

### Charles Traub III In NATO Exercise

Navy Lt. (jg) Charles Traub III, grandson of Capt. Charles Traub Sr., of 1200 Dunbar Avenue, Bay St. Louis, Miss., is aboard the high speed minesweeper USS Macomb, taking part in the junior NATO training exercise, "Weldfast."

Weldfast is aimed at testing and strengthening the readiness of land, sea and air forces to operate and maneuver in the defense of Allied Powers Europe's Southern European and Mediterranean Command Area.

United States, British, Greek, Turkish and Italian forces are participating in the large-scale operation.

The exercise ends October 7th.

### Mrs. Kennedy

#### To Leave

Mr. and Mrs. E. C. Samuels entertained this week at a dinner party, honoring Mrs. Olga Kennedy, who is leaving Bay St. Louis after many years' residence here.

Mrs. Kennedy will go to Baton Rouge, where she has accepted a position as supervisor of Women's dormitories.

Guests at the Samuels' farewell party were Dr. and Mrs. John Griffin and Mrs. Lewis Wagner.

he necessary money on hand when replacement time arrives. \$300 invested in U. S. Savings bond grows to \$400 in less than 10 years. By investing a part of your earnings each year in these bonds, you can be sure that you will have ready cash available to buy your new machine when needed.

### Morgan Reports On Tree Supply

District Forester C. H. Morgan reported that orders for loblolly pine, black locust, yellow poplar, red oak and green ash tree seedlings are equal to or in excess of the available supply in the two state nurseries and the Mississippi Forestry Commission will not accept further orders for these species.

Still available, Morgan said, are slash pine, longleaf pine, bald cypress and darlington cypress. Orders for these species will be accepted until November 1, or until the supply is exhausted.

Morgan said that the seedling production is running near 8 million short of what was desired due to heavy spring rains and the unavailability of tree seed.

### Sister Zida Has

#### Double Celebration

Sister Zita, "Lay Sister" of the order of Sisters of St. Joseph celebrated her 83rd birthday September 29th and her 68th anniversary as a Sister of St. Joseph during the month of August.

Sister Zita, born near Jackson, La., was baptized Rebecca Bridget Needham, daughter of Mr. and Mrs. Michael Needham, she entered the Novitiate in 1884, at 14 years and took her Habit the following year, 1885.

Her first Mission was when she was 16 years old in Bay St. Louis. She has been assigned to many missions over the period of years but her longest assignment has been in Bay St. Louis, at St. Joseph Academy, where she is, at present, stationed.

Sister Zita is known as a "Lay Sister" (or outdoor sister) because the branch of Sisters of St. Joseph at the time that she took her final vows, attended to all outside needs of the Community. There are but two such sisters still living, Sister Zita and Sister Mary of the Cross, who is in New Orleans.

### Selective Service Tests To Be Held

Major General Lewis B. Hershey, Director of Selective Service, today announced the fourth series of Selective Service College Qualification Tests will be given on Thursday, November 19, 1953, and Thursday, April 22, at more than 900 testing centers.

Students currently deferred on the basis of test scores or class standards number approximately 162,000.

### Methodist Minister

#### Made Chairman

The Rev. Charles Schultz was chosen chairman of the district directors of Evangelism of the Mississippi Conference, which held a meeting in Jackson this past week.

### PTA Meets

The Bay High Parents-Teachers Association will meet Tuesday night, October 13 at 8 p. m. in the Bay High Building.

At 7:30 p. m., preceding the gathering, there is to be a meeting of the P. T. A. board, it was announced by Mrs. George Anderson, in charge of publicity.

## Edna Bourgeois Has Birthday

Edna "Aggie" Bourgeois of Waveland was honored on her seventh birthday on Monday, Oct. 5 by her father, Mr. Sidney Bourgeois, when she entertained members of the first through the fourth grades of Waveland School in the school auditorium.

"Aggie" was assisted in entertaining and serving her little guests by her aunts and the Misses Cecile, Evelyn, and Mary Margaret Turcotte.

The honoree's table was most attractive with the high pink and white cake in the center and flanked on either side by a bowl of pink punch, delicious cookies, party baskets of pink and blue and filled with candy and bubble gum, brightly colored party hats and whistles and a small jar of jam filled with brightly colored fall flowers.

Various party games were enjoyed by all but the old favorite of pin the tail on the donkey caused the most excitement with Frank Chapman capturing first prize and Barbara Noonan receiving the booby prize.

—Mr. and Mrs. Ralph Blaize and son, Tiny, of Algiers, were guests of the R. S. Blaize's on Sunday. The senior Blaizes celebrated with an early birthday party his 70th birthday on Monday.

—Mr. and Mrs. Leslie E. Blaize, and children of New Orleans spent the past weekend visiting with their parents, Mr. and Mrs. A. B. Benvenutti and Mr. and Mrs. R. S. Blaize.

## THE TEEN TATTLER

by Patsy Shadoin

The Bay High-Pass Christian game was Pass High's homecoming and at the half-time the queen was escorted out to the middle of the field to meet the football captain and co-captain, who in turn escorted her back to the queen's box where the two maids were seated.

There was a homecoming dance in the gym after the game and the general public was invited. Bay HI had a large cheering section, as one whole section of the bleachers was filled with spirited Bay HI fans.

Stanislaus' Rockchaws, after a very exciting, nerve-racking game, defeated the Moss Point Tigers. On hand to see the Rocks in their third game of the season were: Pam Crasto, Eddie Bretel, Alice Scaffide, Helen Gentel, Conie and Rick Rupert, Julie Blanchard, Janet Genin, Sheila Heitzmann, Dorothy Larroux, Teddy Favre, Russell Mitchell, Ted Perry, Larry Ladner, Mille Adams, Humphrey Kerseneac, Jimmy LaPoint, Gus Aime, Jeanette Monti, Grace Curet, Gaydell Cue and many others.

HERE AND THERE Rusty Breath and Sister Sullivan went up to Mississippi Southern last weekend to visit Rusty's sister, June.

Delta Sigma Chi's last rush par-

ty was held Sunday night at the Teen-Age Club. The rushees were seated at card tables with a big sister. Place cards were small bottles covered with colored wax with a candle in each bottle.

The big sisters provided entertainment by impersonating well known figures of the past and the present. Alice Scaffide wowed them with a comical version of Johnny Ray singing "Diamonds are a Girl's Best Friend" imitating the greatly publicized Marilyn Monroe.

and last but by far not the least were the all-time famous Can-Can of Lorus girls. Those taking part in the frolic were Darl- ing Norman, Carol Cabel, Dorothy Larroux and Diane Seuzeneau.

The little sisters added greatly to the merriment by impersonating their older sister, if she was in the show, or doing some act desired by her. Refreshments were served. Mr. Sybil Koeniger, sponsor of Delta Sigma Chi, chaperoned the party.

## ELEMENTARY SCHOOL NEWS

The third grade pupils are having Art this year. The display of drawings shows that a few members of the class have talent.

Mrs. Ashcraft, Mrs. Zengaring and Miss Luvenia Saucier attended classes at Mississippi Southern College last Saturday.

The Special Class of Bay High school has ten students this year. Along with the new school supplies, the class has a new record player, 12 new library books and several games and puzzles.

The children are busy coloring and cutting out October decorations for the class room.

week-end, Donald Levy and John Weston of Tulane, Gary and Jimmy Gilmore, Bill McDonald, Willys Gilmore, of Mississippi-Southern, Leonard Benvenutti, Poplarville, Jerry Kiefer of L. S. U. and Moises Garcia and Paul Loup from Ole Miss.

The Saint Joseph's Junior Class elected class officers and chose Alice Scaffide as their president, Dorothy Larroux, Vice-President, and Elodie Bretel, Treasurer.

Saturday night there will be a dance in the Stanislaus Gym. The dance is sponsored by the Juniors. The Stanislaus orchestra will play. Everyone is invited.

Dattie Loup and "Pokey" Poolson went to Poplarville Friday night for the Poplarville Purvis game.

## Baptist Continue Revival Meeting

The revival meeting at the Lakeshore Baptist Church continues into its second week with the meeting time being changed to 7:03 P. M.

The revival will end October 11. The Rev. R. L. McNamé, pastor, has been conducting the meetings with Paul Padgett serving as song director.

## Bisso Tells League Of Women Voters

### City Needs Plans

Louis Bisso, head of the New Orleans city planning Commission, told the League of Women Voters here last week that a city needs orderly development just like a child.

Bisso, who opened the League's year long study on the Bay St. Louis zoning problem, addressed a group of about 30 at the first unit study group of the League. Mrs. Paul Gaudet, president, presided at the meeting.

Bisso compared a town to a human being, which he said, must either grow or die. He laid out some plans for the preliminary steps which he said a town should take if it is interested in safeguarding its growth.

The League has inaugurated a study of the zoning problem here for its project this year and will begin with intensive research.

## SYMBOLS OF PROGRESS...

## KNOW WHO WEARS THEM?.

You'll probably recognize them immediately — the protective helmet and gloves of the oil field worker.

Here in the Gulf South they are also the "trade mark" of the men who assure you adequate supplies of natural gas... the exploratory crews, the drillers, the pipe liners who move gas to your community.

The progress of the natural gas industry during recent years has been phenomenal. New gas customers have been added by the thousands. Long-time customers are using increased volumes of this preferred fuel. The demand is up, up, up.

So long as natural gas sells at prices that provide a fair profit to all segments of the industry, additional reserves will be found and produced... more pipe lines and distribution facilities will be built... more customers will be served.

Actually, natural gas is a wonderful bargain. We think you'll agree it's worth every cent you pay for it... and then some!

## COASTING

By ANNE ORLEANS

Kind Sir, the gay comedy, starring Mary Martin and Charles Boyer is still the subject of discussion on the Gulf Coast. Yes and No - some did not like it but many more really enjoyed it.

What is it all about? In its first week's appearance in New Orleans, we found Jane Kimball (Mary Martin) and Phillis Clair (Charles Boyer) desperately in love. Why don't they marry? He tells her that his wife will not give him a divorce.

She persuades him to take a high position in the State Department and he divides his time between his work in Washington and his love in New Orleans. Jane's mother-in-law, has read the FBI report on Clair officially.

His wife, Margaret (Dorothy Strickney), Jane's sister, has read it unofficially. Clair is ordered to London. Jane is desperate because he must leave her the next day when her sister tells her that the FBI reports that Philip is a bachelor. Jane is furious.

Margaret also tells her that Philip plans to surprise Jane by coming to her apartment the next night when he is supposed to be

Archie Courage of New Orleans spent the weekend here visiting relatives.

Friends of Mr. and Mrs. Delbert Wilcox are sorry to learn of her illness in Memorial Hospital and all wish Mrs. Wilcox a speedy recovery.

Mr. and Mrs. John L. Hourbeight celebrated their 26th wedding anniversary Sept. 25th in their new home in Long Beach.

## Bundles For Korean Children Sought By Women's Auxiliary

Chapter II of the Women's Auxiliary of Christ Church voted to sponsor a local "Operation Santa Claus" project in order to supply clothing for Korean children in the Pusan area.

The project, which was publicized and promoted by Arthur Godfrey, came as a result of pleas from U. S. soldiers in the area.

The Women's Auxiliary made the plans at their meeting Monday night with Mrs. Rene deMontez Jr. presiding.

Chairman of the project is Mrs. Lambert T. Boyd, Jr. It was stressed that while the winter need for clothing is most acute, and hard to come by, donations of clothing would also be accepted. Donations for the Korean children can be left at the Western Auto store on North Beach. Arrangements can also be made with Mrs. Boyd for pickup of articles to be donated.

Packages for the children must be mailed by October 15, so prompt action is desired.

## V A Hospital

Needs Volunteers

Dr. W. K. Freeman, Manager of the Gulfport Veterans Administration Hospital today extended an invitation to adults of the Gulf Coast area to attend the Orientation and Induction Course for volunteer workers to be presented by the professional staff of the hospital on Wednesday, October 14, at 1:30 p. m. in the Recreation Annex.

The purpose of the course is to acquaint prospective volunteers with the care and treatment program. The course is open to all adult volunteers of this area who have sufficient leisure time and an interest in helping the disabled veteran in his recovery from mental illness.

Mr. and Mrs. S. R. Seal, who moved here recently, returned this week from several weeks vacation in Kentucky. On the return trip they visited Mrs. Seal's parents in Birmingham, Ala.

## Fitzhugh Lee Chosen Head Of County PMA

Fitzhugh Lee of Leetown Community was elected chairman of the Hancock County PMA Committee in last week's election, it was announced today.

Alton A. Kellar of Aaron Academy was elected vice chairman and Frank Shaw of Sellers was chosen as a member.

Ed Green of Lakeshore and Alphonse Lee of Leetown were re-elected alternates.

The committeemen, all of whom are farmers, will be responsible for the county administration of the agricultural conservation program, price support activities, federal crop insurance and other farm activities.

All three of the committeemen were re-elected for their third term.

## New Books

For Library

The bookmobile, making its quarterly trip to Bay St. Louis this past week, delivered approximately 80 children's books to the Hancock County Library, Miss Louise Crawford, librarian, reported.

The donations received by the library this week were five dollars on pledge from the Rev. and Mrs. Johnson and ten dollars from Mr. H. H. Shattuck.

## City Echoes

Catherine Benigno, who is a student at Loyola in New Orleans, spent the weekend with her parents, Mr. and Mrs. Anthony Benigno here.

A picnic party in honor of Jennifer Barnes of New Orleans was given Sunday by Mr. and Mrs. Donald Halsey at their home in Waveland.

Mr. and Mrs. John Caldwell, who returned to their native Bay St. Louis three years ago following a long residence in Asheville, N. C., celebrated their 44th wedding anniversary on Tuesday. On Thursday Mr. Caldwell also celebrated his 87th birthday. For the occasion, a brother, Frank Caldwell and his family of New Orleans, were guests in the Caldwell home on second street.

A son, Gary Anthony, was born recently to Mr. and Mrs. John Polo at Syracuse, N. Y. hospital. The Polos were residents of Bay St. Louis until recently. Gary is the second son and the fourth child of the Polos.

Mrs. Katherine Hall and her son, Charles, of Forrest were guests of the Rev. and Mrs. Charles Schultz this past weekend. While here, the family celebrated the birthday of Charles Hall.

## Buyers' Mart

At 220 Booklet Street, the Christ Church Parish School PTA has laid out a prodigious amount of work for itself in the form of a Tariff Shop. You can help the organization toward success.

Profits made at the shop go to further PTA projects. The ladies who have put a firm shoulder to the wheel in this effort maintain that products to be sold - while they are mostly second hand donations - are to be clean, useable and in good condition.

This was true opening day, when we paid the store a visit. Mrs. Harold Weston, who was in charge at the time, said prices ranged from two-for-a-nickel to ten dollars for the articles displayed at the time.

There were a great many children's clothes. Clean, well cared for training pants were two for five cents. There was a winter coat for \$7.50 and in between these two prices were the prices for a big supply of dresses and suits for children.

Cotton dresses, all pressed and neatly arranged by the PTA ladies, averaged two dollars each for the women's sizes. Men's suits at the Thrift Shop cost two, three and five dollars on the day we stopped by. Prices depend, of course, on the condition of the article.

The place was bursting with odds and ends which just might be your special need. There were picture frames, lamp shades, coasters, even stationery, fresh in its cellophane.

A particularly pretty towel and bath cloth set would be at home in anyone's guest bath. It was brand new - a donation - and had a hand knitted pocket on the larger towel to hold the smaller. This was priced at fifty cents.

If you are not thinking of buying, but are planning to send some clothing or household goods and pieces to be sold, you may do so by calling Mrs. Weston at 10 or Mrs. J. J. Volath at 789-R.

Perhaps you have some china or a piece of furniture or other items unwanted at your home, but you feel you cannot "give it away." The Thrift Shop will try to sell it for you, (after you have called and made arrangements with them) on a commission basis.

The Shop is to be open on Tuesdays, Thursdays and Saturdays.

T. P. Clapp has been hospitalized in New Orleans during the past week. He is reported recovering at home at present.

The Frank Blaums celebrated Sunday the birthday of their daughter Catherine, who was 22 on that day.

## Coast Artists To Hold Exhibit

The Gulf Coast Art Association decided at its fall meeting last Sunday to hold an art exhibit Nov. 1 - 4 in Gulfport during National Art Week.

Residents of the area attending the meeting were Mr. and Mrs. Horace Russ, Gertrude Saucer, Mauderite Backman, Mrs. H. A. Oxenham and Mrs. Edwin Heath, Sr.

The Art Association also decided to hold a membership drive and will expand to include professional photographers.

The exhibit, to be held in the Marine Room of the Hotel Markham, will be open to both professional and amateur artists.

## City Echoes

J. William Hill traveled to Wichita Falls, Kans., for several days this week.

The Rev. Charles Schultz visited Mrs. May Maynard in Vicksburg during the past week. Mrs. Maynard has recently undergone surgery in Lutheran hospital in Vicksburg. Her condition is reported "holding its own." At her bedside are her granddaughters, Mabel and Jane Taconi.

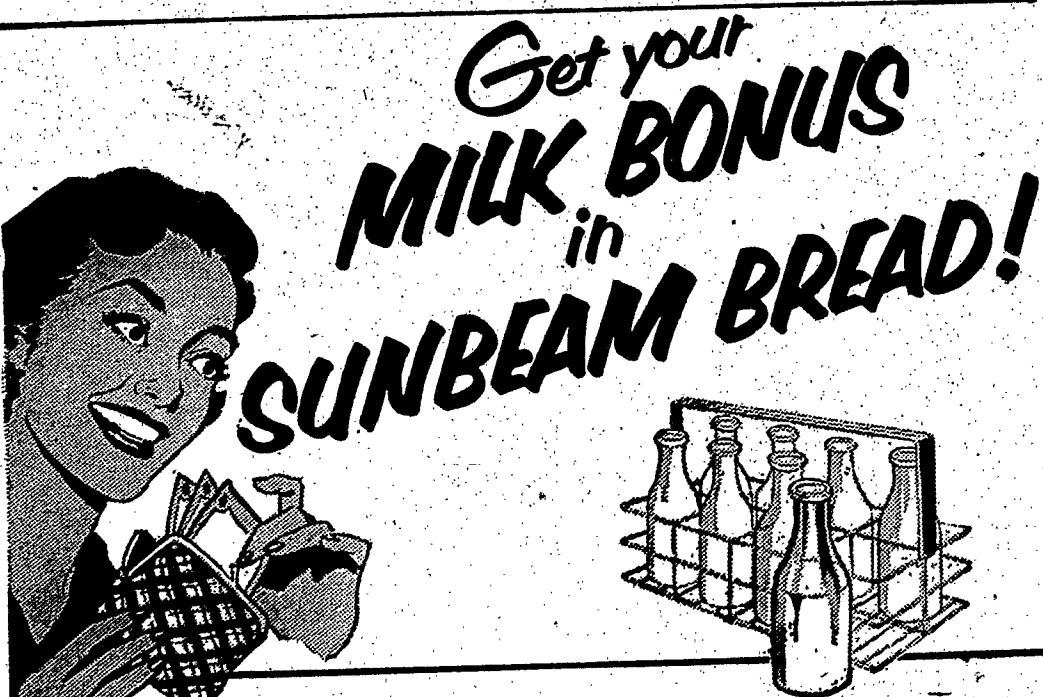

Guests of Mr. and Mrs. John Thomas during the past weekend were Mr. and Mrs. John Thomas, and their children, Johnny, Jones, Leo and Adrian; Mr. and Mrs. Albert Thomas and sons, Albert and Larry; Mr. and Mrs. McHugh and sons, Benny and Tommy and Mr. and Mrs. E. J. Maringo and daughter, Susie, all of New Orleans. Joining the family group here were Mr. and Mrs. Willis Gamble and their children, Bobby Don and Mary Lou.

## Don't Surrender Your Rights

For the first time in too many years, there's a new vote registration under way in Bay St. Louis. To quote the old typing lesson: "Now is the time for all good men to come to the aid of their country."

Too many Americans are energetic enough to grouse about their government, but not energetic enough to participate in it. Your vote is a sacred thing, bought with the blood of your forefathers. You cannot afford to ignore it.

Laziness - or procrastination - have produced "government by default" in too many communities. The vote is the voice of the masses.

Register NOW!

## Happy Birthday

The Bay-Waveland Garden Club celebrated its 15th anniversary yesterday, and few organizations in this state rate a more warm congratulations from their community.

This group has been a vital civic force which has made many key contributions. The Bay St. Louis street signs are a good example. This community, so regularly filled with out-of-town visitors, needed these signs as few towns do.

The signs are just one of many achievements of this group. So we can be doubly sincere when we say "Many Happy Returns."

## A Little Lesson

The League of Women Voters complained that its representatives were misled into believing that a recent Board of Supervisors meeting would produce no action. The ladies left. And the Board promptly sheared Manny Hubbard of his seawall work.

The league was indignant, and it had some cause to be if its representatives were misled.

But alas, this was a very valuable lesson in the democratic processes. A meeting is not over until formally adjourned. It is a very old legislative stunt to pack big things into supposed little afterthoughts.

Federal prohibition was passed that way. And, in a lighter vein, two-platoon football was killed that way.

Both observers and representatives in any democratic legislature must remember that the meeting is not over until the motion to adjourn is carried.

It's sort of like baseball - the last out is just as important as the first one.

# DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

It's GM's Lowest Priced Eight!

## Quality Proves It!

Quality shows up in Pontiac wherever you look: In size—with its long, road-leveling 122-inch wheelbase... unmatched at the price! In beauty—with smart Silver Streak styling and surprising luxury. In the unseen quality of engine and chassis—features that reveal themselves in the long, economical life Pontiac cars always deliver.

## Performance Proves It!

Simply come in and drive a Pontiac. You'll feel the eager response of America's best-proved high-compression engine. You'll see how Pontiac's power reserve supplies all the pep you'll ever need for town traffic, a velvety smoothness that makes highway driving a pleasure. And with Pontiac dependability, you can go on and on like this—with an absolute minimum of service.

## Price Proves It!

All of Pontiac's extra value is yours for just a few dollars more than the smallest, lowest-priced cars! And Pontiac ranks with the leaders year-in and year-out in resale value. That's our final reason why, dollar for dollar, you can't beat a Pontiac. Now come in and let this handsome Pontiac prove it's the best buy for you, too!

**ARE YOU WASTING PART OF YOUR LIGHTING DOLLAR?**

Dust and dirt cut down the efficiency of your lighting equipment. You use just as much electricity but the light can't get through. As a result you may be wasting as much as 50 cents of your lighting dollar.

While the switch is off and bulbs and fixtures are cool wash them with lukewarm water and a mild soap or detergent. Dry carefully before using. Replace dead bulbs.

Regular cleaning will give you maximum efficiency from your lighting equipment.

Dave Ladner, draw tender, on the new highway bridge, reports that some nice fish are being caught on the bridge at this time with dead and cut bait. The bridge has proven an ideal place for fishing and crabbing. Dave is an ardent fisherman himself, and is unusually good with artificial baits. Won't be long now before the big speckles will be passing through Dave.

Saw Mr. Joe diBenedetto up the river Sunday morning. Mr. Joe is past the big music and has been an ardent fisherman and hunter in these parts for a long, long time. ## Pass Christian

## Notes

The newly organized league of women voters of Pass Christian, meeting at the city hall this past week, has adopted the constitution and by-laws of the national League of Women Voters and decided upon a survey of city government as its first project.

Some 22 members were present at the meeting, which was presided over by Mrs. Philip Lee. Mrs. E. C. Samuel of the Bay St. Louis league spoke to the gathering following the business session.

On Friday, it was announced, Mrs. T. Chatfield Fisher, president of the state League of Women Voters and Miss Dixie Drake, field organizer from Washington, D. C., will meet with the organization's board.

Mr. and Mrs. Donald Markle of Pass Christian announced this week the engagement of their daughter, Joan, to William Lawrence Moore, son of Mr. and Mrs. Herbert Moore of Wichita Falls, Tex. The wedding will take place at "Norwinds," the Markle home, on Nov. 28.

Miss Markle is a graduate of Ethel Walker School at Simsbury, Conn., and Finch Junior College in New York. She made her debut in New Orleans several seasons ago.

Mr. Moore attended Texas A & M and was graduated from the University of Texas at Austin.

The Women's Auxiliary of the Pass Christian Yacht Club held its first luncheon meeting of the season recently.

## State's Biggest

## Expense

Education has replaced highways as the single expensive function of the State of Mississippi, according to an article by Dr. Robert Highsaw, director of the University of Mississippi Bureau of Public Administration, in the first issue of a new bi-monthly bulletin published by the Bureau.

Dr. Highsaw said that the largest state expenditures consistently have been made for schools and roads, though sizable allocations go to the public welfare and health, hospitals, and institutions for the handicapped.

The new publication, "Public Administration Survey," is designed to provide information on a technical and professional level to the officials of city, county, and state governments in Mississippi. Dr. Edward H. Hobbs, assistant director of the Bureau, is in charge.

"Population changes from 1940 to 1950 have had significant repercussions on state spending. Mississippi's 1952 per capita state expenditures amounted to \$71, placing the state eighth in the South-east."

Dr. Highsaw shows what effect the rising price levels have had on Mississippi state government's purchasing power. "The fact remains that the states of the South-east have increased expenditures in terms of what they would buy by some 47 per cent as compared to only 19 per cent for all 48 states."

## editor:

In the September lead article, Dr. Highsaw analyzes Mississippi's general expenditures for the last decade in comparison with other Southeastern states.

"While the total general expenditures of the 48 states increased almost 221 per cent in this period, the rate of increase for the eleven states of the Southeast was 285 per cent, a much faster growth. Mississippi shared in the greater governmental spending, though at a less rapid rate than the regional average," he found.

## Winnie Deuchert,

## fiancee Feted

Among the pre-nuptial parties for Miss Winnie Deuchert of New Orleans, who will be married on Oct. 10th to Lt. J. C. McDonald, was a linen and lingerie shower, given by Mrs. W. M. Landry in New Orleans Sunday afternoon.

An attractively decorated wishing well was used to hold the gifts presented to the prospective bride by some 25 guests.

Those from Bay St. Louis attending the party were Mrs. C. C. McDonald, Mrs. John McDonald, Mrs. David McDonald and Mrs. J. A. Evans.

Mrs. John McDonald entertained with a luncheon at Hotel Reed, Thursday honoring the bride elect. The guest list included members of the city's younger set and from New Orleans, the bride's mother and members of the bridal party.

On Friday, Mr. and Mrs. John Hall Jacobs will entertain for the young couple with an afternoon party at their home on Calhoun Street in New Orleans. The guests will be close friends of both families, out-of-town relatives and friends arriving for the wedding.
